PROSECCO ICE

Stylish and refreshing, bursting with bubbles!

TASTING NOTE Vibrant aromas of green apple, citrus and passionfruit are lifted by delicate hints of lemongrass and elderflower. The palate shows a touch of subtle sweetness, beautifully balanced by crisp acidity and lively spritz, carrying flavours of green apple, lemon and lime through to a refreshing finish.

SUGGESTED CUISINE Enjoy chilled, over ice! Perfect pair with fresh seafood, or cheese and charcuterie board, or even can pair with a fresh fruit platter.

WINEMAKING The fruit was harvested in the cool of the night, crushed and pressed. The juice was then fermented at cool and steady temperatures. Light stirring on lees adds complexity and weight to the palate. Fining and filtration early on, maintains the freshness and the youthful characteristics of this delightful Prosecco.
